## NCB Internet/Mobile Banking User Guide – New Beneficiary Registration

Customers can transfer money to new beneficiaries through Internet Banking or Mobile Banking anytime, anywhere. Register the beneficiary when transferring money and you can select the beneficiary in the next transaction. It's fast and convenience!

## Register new beneficiary through Mobile Banking

 Select "Banking > Fast Transfer" after logging in to Mobile Banking.

 Select "New Beneficiary" and beneficiary addressing method. Then, select "Add to my Beneficiary".

Use the Mobile Token or enter the security code generated by the security device and verify the transaction details. Then, tap "Confirm" to complete the transaction.
